@whitstot

"Hi! I'm Whitney Stotler. I am a Videographer, Front-End Web Developer, Graphic Designer, and Worship Leader. I'm a team player and a hard worker. I've been in multiple leadership roles including being team captain. Since I'm naturally detail oriented, it has thus furthered me in my career as a programmer, editor, and photoshop enthusiast. I'm great with people, and ready to work with you!"

Illustrator   Photoshop   Premiere   Web Dev   Vocals   Guitar
